Caldecott Honor winner Grace Lin celebrates math for every kid, everywhere! After playing in the snow, Olivia and Mei are ready for cocoa. There's one marshmallow for Olivia and one marshmallow for Mei. But what will they do with the third marshmallow? How can two friends share three things fairly? Storytelling Math celebrates children using math in their daily adventures as they play, build, and discover the world around them. Joyful stories and hands-on activities make it easy for kids and their grown-ups to explore everyday math together. Developed in collaboration with math experts at STEM education nonprofit TERC, under a grant from the Heising-Simons Foundation.

Babies who love science can be anything! Move over Wonder Woman and Superman--here come Aerospace Engineer and Particle Physicist! Baby loves to explore the world of science! What's next for Baby after learning about physics, engineering, computers, and the natural world? Becoming a scientist of course! In this fun look at several scientific careers, parents and children can talk about different science fields and the everyday heroes that work in them. Beautiful, visually stimulating illustrations complement age-appropriate language to encourage baby's sense of wonder. Parents and caregivers may learn a thing or two as well.

This charming jungle story is part of the collection of DK's noisy books for preschoolers. Young children will love hearing animal sounds as they lift the flaps. Growl! Howl! Animals contains lively rhymes to help children discover life in the jungle. With 16 lift the flaps and 5 light-activated sounds, including a baby orangutan, a parrot, and a crocodile splish-splashing, Growl! Howl! Animals combines early learning with preschool play and is ideal for reading aloud with babies and toddlers.

Share a love of reading with your child with this fun-filled book about first words. This interactive book features bold pop-ups that make pictures jump from the pages when the flaps are lifted. With fun surprises on every page, Pop-Up

Peekaboo: First Words enhances the reading experience and builds an early learning foundation. As young children explore the spreads, they will learn to recognize, name, and describe the pictures they see.

A visit to a family farm with a special tractor brings back memories for a grandfather who shares them with his grandson. Grandpa Joe takes his grandson Timmy back to the site of his family's farm, where the old house and a ramshackle barn still stand. The visit stirs up memories for Grandpa Joe—in particular, the majesty of his own father's shiny red tractor, now rusting in the forgotten fields. An ideal gift, this picture book evokes nostalgia while demonstrating a special bond between a grandparent and grandchild.

Uses rhyming text to discuss the habits of puppies and kittens. On board pages.

The perfect bedtime book from Nick East and Michelle Robinson - Goodnight Princess As a little girl says goodnight to her dressing up clothes and dolls she is transformed into a princess in a magical realm. A beautiful rhyming text is accompanied by atmospheric illustrations which will delight and soothe all little girls as they snuggle up in bed. A follow-up to the wonderful Goodnight Tractor and Goodnight Digger, this is the perfect bedtime book. Michelle Robinson has always wanted to be an author like her hero Roald Dahl, but all they had in common was the same birthday and a love of chocolate. Now at last, Michelle is a real author too. She lives in Frome, Somerset with her husband, son and daughter. Visit her at www.michellerobinson.co.uk. Nick East has been working as a museum designer for the past 16 years but has always been a storyteller, whether as a child, filling sketchbooks with quirky characters, or as a designer displaying a collection of ancient artifacts. Nick lives near York with his wife and two children and, when he isn't drawing, he is out riding bikes and spending time with his family.

Go on a counting adventure with your favourite animals in this noisy board book for little ones. With six high-quality animal sounds to press and count, easy-to-grip tabbed pages, and lots of cute animals to meet, this interactive book will appeal to young children and encourage early learning skills. Give your child a head start before they start school with this fun and educational children's book. With this unique book children can count the animal sounds as they press each button. Learning to count abstract things such as sounds is part of the early years curriculum and this book lets your child practise this skill, getting them ready for school. Parents will love the other ways that this noisy book supports preschool learning; the tabs encourage little ones to turn the pages all by themselves, and joining in with the rhyme and copying the

animal noises helps children get ready for reading. Children will love meeting the playful animals, including one tooting elephant squirting water, two oinking pigs splashing in the mud, and three lions playing chase. The lively pictures, together with the fun rhyme, ensure that children will be eager to return to this animal book again and again. Learning to count and name animals has never been so much fun!

Celebrate new friendships in this sweet board book that follows Baby Dinosaur on his escapades around the farm. Follow this spirited dinosaur as he searches for some farmyard fun, and along the way teaches little ones all about lending a helping hand. STOMP! STOMP! STOMP! Who could that be?! It's Baby Dinosaur and he's finally arrived on the farm. This can only mean one thing - it's time to get your wellies on and join him on his adventures! But when Baby Dinosaur notices that his new farmyard friends could use his help, he springs into action. With a ROAR so loud and a neck so long, Baby Dinosaur is a welcome addition. After all, what is a friend if not someone who will lend a hand when you need it. This sweet story captures the magic of friendship, whilst gently reminding little ones of the importance of helping others. With whimsical illustrations that bring these adorable animals to life and simple, but charming text, this book is perfect for adults and children to read aloud and enjoy together. Whether you are looking for a sweet story for bedtime or encouragement for little listeners to be kind to others, Baby Dinosaur on the Farm is sure to delight.

Weather takes children through the seasonal changes in a backyard, allowing them to see how the yard changes throughout the year: on a summer day the flowers are bright and a puppy plays on the green lawn; on a snowy day we see the same yard blanketed with snow; on a windy day the clothesline flaps in the breeze. Children can also have fun pointing to pictures of the different clothing we wear in each type of weather: mittens, hats, rain boots, and more. It's a perfect way to bring natural science into the busy world of a toddler, where learning never stops.

Showcases a variety of trucks, from big rigs and dump trucks to mail trucks and snow plows.

Have fun at the farm with tractors and farm animals in this lift-the-flap and pop-up board book for babies... Both children and parents will enjoy playing hide and seek to discover cuddly and exciting characters: Farmer Fred is looking for his big, red tractor; Scarecrow is waiting for the big combine harvester; and Jim Farm Cat is up to mischief in the yellow tractor. This early learning lift-the-flap book is ideal for preschool and hands-on play. Rhyming text encourages early word recognition, and the colorful pop-up peekaboo surprises help develop imagination and memory skills. This sturdy baby book will appeal to both parents and children and will keep little ones entertained again and again!
