The legendary FBI criminal profiler and international bestselling author of *Mindhunter* and *The Killer Across the Table* returns with this timely, relevant book that goes to the heart of extremism and domestic terrorism, examining in-depth his chilling pursuit of, and eventual prison confrontation with Joseph Paul Franklin, a White Nationalist serial killer and one of the most disturbing psychopaths he has ever encountered. Worshippers stream out of an Midwestern synagogue after sabbath services, unaware that only a hundred yards away, an expert marksman and avowed racist, antisemite and member of the Ku Klux Klan, patiently awaits, his hunting rifle at the ready. The October 8, 1977 shooting was a forerunner to the tragedies and divisiveness that plague us today. John Douglas, the FBI's pioneering, first full-time criminal profiler, hunted the shooter—a white supremacist named Joseph Paul Franklin, whose Nazi-inspired beliefs propelled a three-year reign of terror across the United States, targeting African Americans, Jews, and interracial couples. In addition, Franklin bombed the home of Jewish leader Morris Amitay, shot and paralyzed *Hustler* magazine publisher Larry Flynt, and seriously wounded civil rights leader Vernon Jordan. The fugitive supported his murderous spree robbing banks in five states, from Georgia to Ohio. Douglas and his writing partner Mark Olshaker return to this disturbing case that reached the highest levels of the Bureau, which was fearful Franklin would become a presidential assassin—and haunted him for years to come as the threat of copycat domestic terrorist killers increasingly became a reality. Detailing the dogged pursuit of Franklin that employed profiling, psychology and meticulous detective work, Douglas and Olshaker relate how the case was a make-or-break test for the still-experimental behavioral science unit and revealed a new type of, determined, mission-driven serial killer whose only motivation was hate. A riveting, cautionary tale rooted in history that continues to echo today, *The Killer's Shadow* is a terrifying and essential exploration of the criminal personality in the vile grip of extremism and what happens when rage-filled speech evolves into deadly action and hatred of the "other" is allowed full reign. *The Killer's Shadow* includes an 8-page color photo insert.

Last spring, Pansy chickened out on going to spring break camp, even though she'd promised her best friend, Anna, she'd go. It was just like when they went to get their hair cut for Locks of Love; only one of them walked out with a new hairstyle, and it wasn't Pansy. But Pansy never got the chance to make it up to Anna. While at camp, Anna contracted meningitis and a dangerously high fever, and she hasn't been the same since. Now all Pansy wants is her best friend back—not the silent girl in the wheelchair who has to go to a special school and who can't do all the things Pansy used to chicken out of doing. So when Pansy discovers that Anna is getting a surgery that might cure her, Pansy realizes this is her chance—she'll become the friend she always should have been. She'll become the best friend Anna's ever had—even if it means taking risks, trying new things (like those scary roller skates), and running herself ragged in the process. Pansy's chasing extraordinary, hoping she reaches it in time for her friend's triumphant return. But what lies at the end of Pansy's journey might not be exactly what she had expected—or wanted. *Extraordinary* is a heartfelt, occasionally funny, coming-of-age middle grade novel by debut author Miriam Spitzer Franklin. It's sure to appeal to fans of *Cynthia Lord's Rules* and will inspire young friends to cherish the times they spend together. Every day should be lived like it's extraordinary.
