Billy Bartholomew has an audacious soul, and he knows it. Why? Because it's all he has left. He's dead. Eddie Proffit has an equally audacious soul, but he doesn't know it. He's still alive. These days, Billy and Eddie meet on the sledding hill, where they used to spend countless hours -- until Billy kicked a stack of Sheetrock over on himself, breaking his neck and effectively hitting tilt on his Earthgame. The two were inseparable friends. They still are. And Billy is not about to let a little thing like death stop him from hanging in there with Eddie in his epic struggle to get his life back on track.

The second thrilling, chilling installment in Anthony Horowitz's bestselling Gatekeepers series. Matt thought his troubles were over when he closed Raven's Gate . . . but in fact they were just beginning. His fate -- and the fate of the world -- is tied to four other kids across the globe. The second is a street kid in Peru. He and Matt have never met; they don't even speak the same language. But destiny is going to throw them together as the evil threat of the Old Ones grows . . . and another Gate suddenly comes into play.

From Adam Mansbach, the acclaimed #1 New York Times bestselling author of Go the F\*\*k to Sleep, comes an electrifying and horrifying action-adventure tale set in the dangerous terrain of the Tex-Mex borderland In The Dead Run, outlaw with a conscience Jess Galvan made a devil's bargain with El Cucuy, a fearsome, five-hundred-year-old Aztec priest and major crime kingpin determined to bring about hell on earth. Now, months later, Galvan is trapped in his own personal hell, his mind infested with the soul of this ancient monster. No longer able to trust his own judgment, he is estranged from his daughter, Sherry—and from his own body. His every moment is a battle to keep the evil priest at bay. But there is a silver lining—Cucuy's presence has endowed Galvan with superhuman strength and endurance. Meanwhile, separated from Galvan and shell-shocked by her confrontation with Cucuy, Sherry is living with Sheriff Bob Nichols and his now girlfriend, psychologist Ruth Cantwell. The only bright spot in her life is her dashing new-to-town boyfriend. And in the bowels of Ojos Negros prison, a territory once

controlled by the ancient priest, the drug cartels are at war with one another and on the hunt for Galvan—who must find a way to exorcise his inner demon in time to save the world from annihilation. In this chilling sequel to *The Dead Run*, #1 New York Times bestselling author Adam Mansbach mixes horror, the supernatural, and gritty suspense to create a high-concept adventure filled with nasty bad guys, fearsome magic, and an unlikely hero who is caught between worlds but determined to save this one.

Poetry criticism is a subject central to the study of literature. However, it is laden with technical terms that, to the beginning student, can be both intimidating and confusing. Philip Hobsbaum provides a welcome remedy, illuminating terms ranging from the iambus to the bob-wheel stanza, and forms from the Spenserian sonnet to modern 'rap', with clarity and comprehensiveness. It is an essential guide through the terminology which will be invaluable reading for undergraduates new to the subject.

A timely guide that bridges the gap between microeconomic theory and practice through real-world application in the marketplace Understanding how microeconomics affects the marketplace is essential for any investment professional, however most books simply address microeconomics in its pure theory-based form. *Micro Markets* helps bridge the gap between theory and practice by defining microeconomics in terms of real-world, market applications. This timely guide

elucidates basic microeconomic concepts with an emphasis on applicability. It establishes a common application for all of the basic economic concepts that are reviewed, and provides in-depth insights into an industry that is of major economic importance in aggregate, and to most individuals. Utilizes equity market realities to underscore the relevance of economic theory Each chapter includes informative practice problems and power points A companion Workbook, with practice problems and solutions, is also available By taking microeconomic theory and making it applicable to today's marketplace, Micro Markets builds a much-needed bridge between theory and practice.

This exciting collection of work introduces a major shift in debates on sexuality: a shift away from discourse, identity and signification, to a radical new conception of bodily materialism. Moving away from the established path known as queer theory, it suggests an alternative to Butler's matter/representation binary. It thus dares to ask how to think sexuality and sex outside the discursive and linguistic context that has come to dominate contemporary research in social sciences and humanities. Deleuze and Queer Theory is a provocative and often militant collection that explores a diverse range of themes including: the revisiting of the term 'queer'; a rethinking of the sex-gender distinction as being implied in Queer Theory; an exploration of queer temporalities; the non/re-reading of the homosexual body/desire and the becoming-queer of the Deleuze/Guattari philosophy. It will be essential reading for anyone interested not just in Deleuze's and Guattari's philosophy, but also in the fields of sexuality, gender and feminist theory.

This publication is the result of the 8th European Conference on Communion. Containing many significant contributions concerning the topic of Communion, the book gives the reader a vital insight into the subject.

"Julie Crawford left Fort Wayne, Indiana, with dreams of being a Hollywood screenwriter. Unfortunately, her new life is off to a rocky start. When she is fired by the notoriously demanding director of *Gone with the Wind*, she's lucky to be rescued by Carole Lombard, whose scandalous affair with the still-married Clark Gable is just heating up. As Carole's assistant, Julie suddenly has a front-row seat to two of the world's greatest love affairs. And while Rhett and Scarlett -- and Lombard and Gable -- make movie history, Julie is caught up in a whirlwind of outsized personalities and overheated behind-the-scenes drama ... not to mention a budding romance of her own." -- Back cover.

Widely noted for his role in the passage of the National Reclamation Act of 1902, Francis G. Newlands of Nevada was a champion of the growth of federal power in the modernization of America. One of the few liberal national Democrats at the beginning of the twentieth century, he is known as a key architect of the modern regulatory state. Newlands worked to irrigate the Nevada desert and other arid western states with nationally funded reclamation and dam-building projects. As a leading western Progressive, he supported national planning for the utilization of all the nation's water resources, the Progressive conservation cause espoused by Republican Theodore Roosevelt, and the supervision of private corporations by an enlarged and more powerful federal government. Yet he opposed Progressives on many issues, voicing suspicions about centralized banking, defending the right of

private corporations to fair treatment by public regulatory agencies, even advocating the denial of suffrage to African Americans through the repeal of the Fifteenth Amendment. William Rowley's biography reveals a complicated and sophisticated man who successfully lived a dual political life under a cloud of personal and public scandal. It is a fascinating story of American politics in a time of immense national change.

The Assessment Checklist series, created by Michael Tarren-Sweeney, provides the world's first standardised caregiver-report measures of a range of attachment- and trauma-related mental health difficulties experienced amongst children growing up in foster, adoptive, kinship and residential care. This clinical manual provides essential guidance for child and adolescent mental health clinicians who use the Assessment Checklist measures, including the Assessment Checklist for Children (ACC), the Assessment Checklist for Adolescents (ACA) and the Brief Assessment Checklists (BAC), as part of their specialized assessments of children and adolescents in care. Split into three parts, the book explores all aspects of using and interpreting the Checklist series. Part 1 provides an overview of the Assessment Checklist measures, the rationale for their development and instructions on how to use the measures for clinical assessment, screening and treatment monitoring. Part 2 provides expert guidance to clinicians on interpreting Assessment Checklist score profiles and provides detailed information about several specific types of mental health difficulties measured by them. Part 3 describes the development and psychometric properties of the various Assessment Checklist measures, including information about their validity and reliability. It also introduces several new measures that are under development. Ideal for clinical child psychologists, child and adolescent psychiatrists, child psychotherapists and clinical social workers looking to improve the quality and depth of their clinical assessments with children and adolescents, this book provides essential guidance on professional use of the Assessment Checklist measures.

Madeline Dare would be the first to tell you her money is so old there's none left. A former socialite from an aristocratic family in decline, Maddie is a tough-talking, would-be journalist exiled to the rust belt of upstate New York. Her prospects for changing her dreary lifestyle seem dim--until a set of dog tags found at a decades-old murder site is linked to her family. Shocked into action, Maddie embarks on a search that takes her from the derelict smokestacks of Syracuse to the posh mansions of Long Island's Gold Coast. But instead of the warm refuge of home, this prodigal daughter soon uncovers dark, sinister secrets that will violently challenge everything she believes in and holds dear.

For more than 50 years America's unrelenting hostility toward the Cuban Revolution has resulted in the development of a siege mentality among island leadership and its citizens. In a vibrant new look at Cuban-American relations, Keith Bolender analyzes the effects this has had on economic, cultural, and political life.

Two years ago, Mia had everything she thought she wanted. She loved her job, and her best friend Nicole was finally recovering from losing her family in a car accident. When they met rock star Zack Walters and given backstage passes for his concert in their hometown of Minneapolis, Mia had no idea she would get involved with the band's drummer, Chase Harper. It was simple, fun, and exactly what Mia liked best – no strings attached. Then Chase decided to change the rules and Mia did what she's always done best: she ran. Now she's on her way to Los Angeles to help Nicole get ready for her wedding to Zack. The one thing she's not looking forward to is seeing Chase again. With his sculpted muscles, strong hands and dark gray eyes that seem to know everything she's thinking – Chase has the ability to make her forget. He also has the power to make her feel, something Mia refuses to let happen. When everything around Mia's life begins to crumble, and she keeps all of her secrets tucked close and hidden away, Chase is the one who steps in to help. Because he has decided that he isn't letting her go again. Not until she finally admits she's his.

In *News from Heaven*, Jennifer Haigh—bestselling author of *Faith* and *The Condition*—returns to the territory of her acclaimed novel *Baker Towers* with a collection of short stories set in and around the fictionalized coal-mining town of Bakerton, Pennsylvania. Exploring themes of restlessness, regret, redemption and acceptance, Jennifer Haigh depicts men and women of different generations shaped by dreams and haunted by disappointments. Janet Maslin of the *New York Times* has called Haigh's Bakerton stories "utterly, entrancingly alive on the page," comparable to Richard Russo's *Empire Falls*.

This important new work from Rebell and Wolff, authors of the groundbreaking volume *Moving Every Child Ahead: From NCLB Hype to Meaningful Educational Opportunity*, brings together the nation's leading researchers and thinkers in the field of educational equity to provide a range of provocative critiques that go well beyond what has already been said on the subject of No Child Left Behind (NCLB). Unlike most books, this one puts aside political rhetoric and quick-fix solutions to tackle the truly difficult questions about how to ensure meaningful educational opportunities for all children. In this book, Wheeler Winston Dixon offers an overview of all of Godard's work as a filmmaker, including his work for television and his ethnographic work in Africa. Free from the jargon and value judgments that have marred much of what has been written about Godard, this is the only book that covers the entirety of Godard's career.

The New York Times bestselling author of *Mrs. Lincoln's Sisters* and *Mrs. Lincoln's Dressmaker* reveals Mary Todd Lincoln's very public

social and political contest with Kate Chase Sprague in this astute and lively novel of the politics of state—set against the backdrop of Civil War Era Washington. Beautiful, intelligent, regal, and entrancing, young Kate Chase Sprague stepped into the role of establishing her thrice-widowed father, Salmon P. Chase, in Washington society as a Lincoln cabinet member and as a future presidential candidate. For her efforts, *The Washington Star* declared her “the most brilliant woman of her day. None outshone her.” None, that is, but Mary Todd Lincoln. Though Mrs. Lincoln and her young rival held much in common—political acumen, love of country, and a resolute determination to help the men they loved achieve greatness—they could never be friends, for the success of one could come only at the expense of the other...

"Compelling...A masterly feat...A magnificent, sweeping, authoritative, warm yet wry history." --*The Wall Street Journal* In this fascinating and intimate portrait of the Stuarts, author Allan Massie takes us deep into one of history's bloodiest and most tumultuous reigns. Exploring the family's lineage from the first Stuart king to the last, *The Royal Stuarts* is a panoramic history of the family that acted as a major player in the Scottish Wars of Independence, the Union of the Crowns, the English Civil War, the Restoration, and more. Drawing on the accounts of historians past and present, novels, and plays, this is the complete story of the Stuart family, documenting their path from the salt marshes of Brittany to the thrones of Scotland and England and eventually to exile. *The Royal Stuarts* brings to life figures like Mary, Queens of Scots, Charles I, and Bonnie Prince Charlie, uncovering a family of strong affections and fierce rivalries. Told with panache, this is the gripping true story of backstabbing, betrayal, and ambition gone awry.

Do animals celebrate Valentine's Day? Nobody knows for sure. But this funny (and punny) little book imagines how some of them declare their love, affection, or friendship any day of the year. "Nice to Meetcha! You smell delish!/Wanna share my water dish?" So asks one tail-thumping dog to another. Whereas a courting dolphin sings, "Come, leap with me and be my wife./You're the porpoise of my life." Ranging from dogs and cats and other pets to some you wouldn't want to pet, such as sharks and porcupines, acclaimed poet Marilyn Singer's captivating couplets and Lee Wildish's expressively humorous illustrations provide a Valentine's Day gift for kids who wouldn't be caught dead being lovey-dovey.

Former small town police chief turned CIA Special Agent Holly Barker tracks a dangerously clever killer in this explosive thriller from #1 New York Times bestselling author Stuart Woods. When his plane exploded off the coast of Maine, authorities thought they had seen the last of Teddy Fay—the ex-CIA tech wizard who kills his political targets for sport. But now they've found irrefutable evidence that he is alive and up to his old tricks. Now working for the CIA, ex-chief-of-police Holly Barker joins the elite task force tracking Fay in New York City. As he begins to pick off America's enemies one by one, Holly unexpectedly finds herself face-to-face with the killer, kick-starting a high-speed chase through the canyons of midtown Manhattan, the Metropolitan Opera house, Central Park, and the United Nations Plaza, all to prevent another assassination before Fay disappears again—maybe this time for good.
