This beautiful book will have you falling in love with your rice cooker as you use it every day for perfect-every-time rice and an incredibly surprising range of other foods. Rice cookers are ideal for the way we cook today. They are versatile and convenient, with one-button operation and a conveniently small footprint on your kitchen counter—plus, they can be cleaned in a flash when you are done cooking. Rice cookers make foolproof rice and beans, of course; but, as Beth

Hensperger shows in this collection of the 100 best recipes from her earlier Ultimate Rice Cooker Cookbook, they cook a whole lot more than you might have thought. Here are all sorts of grains beyond rice, including quinoa, millet, and couscous, as well as all the popular pulses and legumes. In these pages, you will also find custards, hot cereals, and puddings, which, it turns out, cook up like a dream in the rice cooker. For substantial meals, there are a host of tasty and easy-to-make risottos, pilafs, chilis, stews, and soups, some with meats and some vegetarian. Unlike the earlier book, this new book has beautiful color photos to inspire you, as you make a heartwarming Sweet Brown Rice with Curry, Carrots, and Raisins; a zippy Fiery Pineapple Rice with Cashews and Cilantro; or a comforting Millet, Squash, and Sweet Pea Pilaf. Never has such a humble and simple-to-use kitchen appliance seemed so powerful and full of promise.

Orange Blossom & Honey is a culinary journey across Morocco, from the souks of Marrakesh, through the Sahara, and onto the blustery shores of the Atlantic coast. In researching this book, John travelled into the heart of the High Atlas Mountains to learn the secrets of traditional lamb barbecue, then journeyed north, through the city of Fes, where the rich dishes of the Imperial Courts are still prepared in many homes. From here he continued on to the Rif Mountains, where rustic recipes are made with the freshest seasonal produce. From Moroccan-style paella, cooked in the painted town of Chefchaouen, to stuffed Berber breads baked in the hot desert sands, John has discovered the real food of the country, learning from the locals to reveal little-known dishes, which he then gives his modern twist. The chapters include Streetfood, Salads & Vegetables, Meat & Poultry, Seafood, Tagines and Desserts, plus there is a section of spice mixes and marinades from chermoula to harissa. With mouthwatering recipes, breath-taking location photography and John's infectious enthusiasm, this is an essential addition to every cook's collection.

'I've been submerged in the cuisines and food culture of Spain and Italy for well over a decade and explored the many regions of these magnificent countries with their markedly different styles and nuances. Throughout the years I've become more and more intrigued by the regions where the Moorish influence has left a pronounced mark and combined seamlessly with the local flavours and ingredients to produce an exotic, full flavoured and vibrant cuisine.' Within these pages, Ben Tish explores this further with over 100 mouth-watering recipes guaranteed to delight anyone who eats at your table. Spices, fruits and incredible flavours that the Moors introduced, such as cumin, cardamom, saffron, coriander, ginger, apricots, watermelons and pomegranates were absorbed into the cultures of Spain, Sicily and Portugal, creating big flavoured dishes with a sun-soaked, exotic taste of North Africa and the Arabic world combined with local heritage, all of which can be found in this book. With chapters such as breakfast, brunch and bread, grilling and smoking, fresh, and sweet and sour, Ben offers his own interpretations of these classic recipes, including shakshuka, red prawn crudo, spiced venison and quince pinchos, wood-baked Moorish chicken pine nut and raisin pie, slow cooked fish and shellfish stew with saffron and star anise and octopus and smoked paprika with black beans and rice. This food to share and enjoy, bringing a little extra flavour to your kitchen.
