Mayors Richard M. Daley and Rahm Emanuel have touted and promoted Chicago as a "world class city." The skyscrapers kissing the clouds, the billion-dollar Millennium Park, Michelin-rated restaurants, pristine lake views, fabulous shopping, vibrant theater scene, downtown flower beds and stellar architecture tell one story. Yet, swept under the rug is the stench of segregation that compromises Chicago. The Manhattan Institute dubs Chicago as one of the most segregated big cities in the country. Though other cities - including Cleveland, Los Angeles, and Baltimore - can fight over that mantle, it's clear that segregation defines Chicago. And unlike many other major U.S. cities, no one race dominates. Chicago is divided equally into black, white, and Latino, each group clustered in their various turfs. In this intelligent and highly important narrative, Chicago-native Natalie Moore shines a light on contemporary segregation on the South Side of Chicago through reported essays, showing the life of these communities through the stories of people who live in them. The South Side shows the important impact of Chicago's historic segregation - and the ongoing policies that keep it that way.

“A close look at how show business power corrupts . . . The dishiest read of the year.” – Janet Maslin, “Ten Favorite Books of the Year,” New York Times “Here’s Johnny!”

Probably everyone in America knows the phrase, whether they watched every episode of The Tonight Show or none because they had to go to bed early on school nights. From 1962 to 1992, Johnny Carson and his Tonight Show dominated the American consciousness. Henry Bushkin was Carson’s best friend and lawyer during that period, and his book is a tautly rendered and remarkably nuanced portrait of Carson, revealing not only how he truly was, but why. Bushkin explains why Carson, a voracious (and very talented) womanizer, felt he always had to be married; why he couldn’t visit his son in the hospital and wouldn’t attend his mother’s funeral; and much more. Johnny Carson is by turns shocking, poignant, and uproarious — written with a novelist’s eye for detail, a screenwriter’s ear for dialogue, and a knack for comic timing that Carson himself would relish. “A fascinating book about a complex man.” — Pittsburgh Post-Gazette “Like The Tonight Show, the book has many a merry moment . . . [Johnny Carson] was also one of a kind, and is missed. This book brings a bit of him back.” — St. Louis Post-Dispatch A People magazine Top Ten Book of the Year

The book brings to the reader a set of political and social narratives woven around people's resistance against big dams, mining and industrial projects, in short, displacement and dispossession in Odisha, India. This saga of dispossession abounds with stories and narratives of ordinary peasants, forest dwellers, fisher folk and landless wage laborers, which make the canvas of resistance history more complete. The book foregrounds these protagonists and the events that marked their lives; they live in the coastal plains as well as the hilly and forested areas of south and south-west Odisha. The authors have chronicled the development trajectory from the construction of the Hirakud Dam in the 1950s to the entry of corporations like POSCO and Vedanta in contemporary times. It thus covers extensive ground in interrogating the nature of industrialization being ushered into the state from post-independent India till today. The book depicts how and why people resist the development juggernaut in a state marked with endemic poverty. In unraveling this complex reality, the book conveys the world view of a vast section of people whose lives and livelihoods are tied up to land, forests, mountains, seas, rivers, lakes, ponds, trees, vines and bushes. These narratives fill a yawning gap in resistance literature in the context of Odisha. In doing so, they resonate with the current predicament of people in other mineral-rich states in Eastern India. The book is an endeavour to bring Odisha on the map of resistance politics and social movements in India and across the world.

Attending Tivedon should have been the most exciting time in Jayl's young life. Along with his sister Myah, they journey to Tivedon and are quickly caught up in the excitement and eccentricities of the school and its teaching elders known collectively as 'The Circle of Tivedon'. Enemies and alliances are swiftly established between the other students that come from across the realm of Tiertyn. Yet, as they begin the next level of their scholastic study in the finer points of diplomacy and governance, grim tidings reach the castle walls. An ancient evil is on the rise threatening to plunge the land into darkness once again. Tensions begin to rise within the walls of Tivedon as unexplainable, dreadful events occur forcing the 'Circle of Tivedon' to act. The situation worsens as accusations of a traitorous plot involving friends of Jayl and Myah's from back home and a fellow student's sovereign land arrive at Tivedon. This development ensnares Myah in a conspiratorial and secretive undertaking at the behest of 'The Circle of Tivedon'. Jayl, who discovers a temperamental magical source within himself, becomes the unwitting focal point of Tivedon's elders' plans to defend Tiertyn against the army of the resurrected evil Lord Rimyaroth. Unfortunately, before plans are complete, the suspicious death of one of Tivedon's elders followed by the murder of the befriended Captain of the Guard lands an unjustly accused Jayl into Tivedon's cells. It is here that Jayl learns of a long ago hidden talisman which will aid in their fight, which he must find and return. A hasty and harrowing escape from the school, which has fallen under the sway of the enemy, follows under the cover of darkness. With foes now swelling on all fronts, the elders must split the students into three groups to have any hope of stemming the tide that threatens them. Myah, along with one of the two remaining Tivedon elders, make their way to the city of Sieli. Their hope is to vindicate her captured and accused friends as well as turn the favour of an opportunistic King to their cause. The second group, led by the other Tivedon elder, races to join defenders that are hastily forming the first line of defence against the massing army of Lord Rimyaroth. Lastly, and much to Jayl's chagrin, he is paired with two menacing and determined school rivals on his quest to find the talisman. A perilous mission, it remains the last vestige of hope to battle against the dark magic of Lord Rimyaroth. With the unlikely heroes and heroines heading in separate directions, three diverse journeys begin.

Alan Sakowitz, a whistleblower of a Madoff-like Ponzi scheme masterminded by Scott Rothstein, fraudster extraordinaire, tells of the story of his decision to turn in Rothstein regardless of the possible dangerous ramifications of such a decision. The saga of Rothstein's rise and fall which included a Warren Yacht, two Bugattis, Governor Crist, the former Versace mansion, The Eagles, and even the murder of a law partner, is the stuff that Hollywood movies are made from. Instead of the mere accounting of such a scandal, Sakowitz uses the Rothstein scheme as a cautionary tale in stark contrast to the stories of humble, ethical individuals living within Sakowitz's neighborhood in North Miami Beach, Florida, Sakowitz's neighbors are people who have spent their lives trying to assist others, not line their pockets, and through these stories Sakowitz creates a sharp dichotomy between the greed, of a Rothstein and its mainstream culture of consumption and the charity, kindness and selflessness of a principle-oriented community. Indeed, Sakowitz speaks to the symptoms of a culture that could create a Scott Rothstein, and, though acknowledging that the easy way out is not simple to dismiss, offers remedies to the growing ills of our entitlement society. The answer, Sakowitz says, lies in thinking first of others, and how one's actions should benefit the lives of friends, not one's short-term gratifications.

With the Godmother Guild destroyed by Teague's army, Mina finds herself without the guidance of her Fae Godmother. Alone and confused, she must lean on her friends for support. The dark prince threatens their very existence with a show of power on the human plane that has everyone running for their lives. To save them, Mina must make a deal with the prince to become his prisoner or lose her friends forever. But is there any hope for Jared and the love they briefly shared, or must beauty destroy the beast she created? This book breaks new ground by examining trans-oceanic connectivity through the perspective of coastal shrines and maritime cultural landscapes across the Bay of Bengal and the South China Sea. It covers a period of expanding networks and cross-cultural encounters from the 3rd century BCE to the 13th century CE. The book examines the distinctiveness of these shrines, and highlights their interconnections, and their role in social integration in South and Southeast Asia. By drawing on data from shipwreck sites, the author elaborates on the material and religious intersections and transmissions between cultures across the seas. Many of these coastal shrines survived into the colonial period when they came to be admired for their aesthetic value as 'monuments'. As nation states of the region became independent, these shrines were often inscribed on UNESCO's World Heritage List on account of their Outstanding Universal Values. The book argues that in the 21st century there is a need to promote the cultural connectivity of the past as transnational heritage on UNESCO's global platform to preserve and protect our shared heritage. The volume will be essential reading for academics and researchers of archaeology, anthropology, museum and heritage studies, history of South and Southeast Asia, religious studies, cultural studies, and Asian studies.
