"[This book] will serve as your guide before and after you come to the United States. [A] 'must-read' for every nurse who is contemplating migrating to the U.S." -Diana J. Mason, PhD, RN, FAAN This book is the only guide to the United States health care system for nurses immigrating to this country as well as foreign-educated nurses who are already here. The contributors provide a wealth of insight on how to address the challenges of being a foreign-educated nurse in the United States. Nurses can learn what is expected of them, how to prepare for the journey to the United States, and how to adapt to their new communities. The book can help foreign-educated nurses understand the health care system as well as their rights and roles within that system. Written in simple, accessible language, the guide will address the topics and issues that foreign-educated nurses care about, including living in the United States as a foreign-educated nurse, nursing practice in the United States, and the U.S. health care system. Key topics discussed: Preparing to leave the home country The process of entry into the U.S.A. Nursing education in the U.S.A. Understanding the U.S. health care system Employment challenges and guidelines for entering the U.S. workforce Foreign-educated nurses' roles, rights, and obligations Most importantly, this book will help foreign-educated nurses learn how to avoid being misunderstood by others, form enduring relationships with American colleagues, and join them in working to improve the quality of health care in this country--and worldwide.

Presents six full-length practice tests using the current TOEIC format, complete with answer sheets, audio recordings for the listening sections, recordings of both British and American accents, transcripts and answer keys.

"This comprehensive book provides direction for foreign-educated allied healthcare professionals. Given the complicated process of credentialing, certification, and visas, as well as the complex American healthcare system, this book proves to be a worthy resource." Score: 100, 5 stars --Doody's "Written by well-known experts, the Guide provides the reader with the most up-to-date information on topics ranging from the U.S. health care delivery system to employment opportunities, from entry into the United States to entry into professional practice." --Barbara Sanders, PhD, PT, SCS Associate Dean, College of Health Professions, Texas State University This book is the definitive guide to health care practice in the United States, written for foreign-educated allied health professionals interested in immigrating to the United States, those already here, and those looking to complete their education in the U.S.A. The contributors provide a wealth of insight on how to address the challenges of being a foreign-educated health professional in the United States. Health professionals can learn what is expected of them, how to prepare for the journey to this country, and how to adapt to their new communities. Written at a readable level for non-native English speakers, the Guide presents a comprehensive description of the major allied health professions and a clear overview of U.S. standards of education and practice. Additionally, readers will gain an understanding of their basic rights and roles in the U.S. healthcare system. Key Topics Discussed: Allied health practice in the United States The process of entry into the United States The U.S. health care system Guidelines for entering the U.S. workforce Most importantly, this book will help foreign-educated health professionals learn how to avoid being misunderstood by others, form enduring relationships with American colleagues, and join them in working to improve the quality of health care in this country and worldwide.

The Smart Edition TOEIC study guide offers complete subject review with 3 full practice tests both in the book + online PLUS online flashcards
